Guy Penny

Head Coach

Named "Coach of the Year" in the Ohio Valley Conference and National Kodak District 4 in 1966, Coach Guy Penny has led Morehead State University to its finest football seasons with one undisputed OVC championship (1966) and a share in the title (1962).

Penny teams recorded three winning seasons in a row, something no previous Morehead coach had accomplished in over 20 years, and had his finest season in 1966 when the team won seven of nine games.

Winning football led to the dedication of the 10,000-seat Breathitt Sports Center stadium in 1965 to support one of the fastest growing football programs in the conference. A sellout is assured almost every time the Eagles play. Much of the credit for this new era of football must go to Penny and his dedicated staff.

A firm believer in a solid defense and an imaginative offense, Penny fields teams noted for their rock-ribbed goal line stands and pro-wing-T and flanker attacks. Coupled with a policy of intense desire to win and superb conditioning, Morehead's program is conducted on a high level of achievement.

A native of Alabama, the personable Penny played his college football at the University of Mississippi as both a guard and full-back. Coach Johnny Vaught calls him "one of the most outstanding students of the game I have had the pleasure of coaching."

His coaching career began with high school stints in Collinsville, Alabama, and Geneva High School in his home state. He moved into the college ranks as an assistant at Martin Branch of the University of Tennessee, and came to Morehead in 1959.

In eight seasons at the Morehead helm, he has guided the Eagles to a 35-34-1 record. He will begin his ninth campaign this fall with a shallow backfield and an experienced line which must face the roughest schedule since he has been at MSU.

The 39-year-old coach is married and has three future Eagle cheerleaders — Debbie, Dee and Diane.

Jerry Denstorff Defensive Line Coach

A strong believer in a tough defense, Coach Penny tapped Denstorff to take over the duties last year of coaching the defensive line. Much of the season's success can be traced to the fine stands put up by the linemen under his tutelage. Denstorff moved to the defensive line post after two years as offensive backfield coach.

Denstorff was a highly successful coach at Mitchell (Indiana) High School before coming to Morehead. His team had a 14-1 record in his final two years and was 8-0 in his last season.

A graduate of Evansville College, he played football at both Evansville and Louisiana State University. He had previously starred as a fullback at Rockport (Indiana) High School.

Denstorff also serves as tennis coach during the spring. He is married and the father of two young sons.

Jack Harbaugh Def. Backfield Coach

In his first season at Morehead, Harbaugh will coach the defensive backfield. He replaces Bill Bowers who returned to an Ohio high school coaching position.

The 1961 graduate of Bowling Green University had three years of successful high school coaching at Eaton and Xenia, Ohio. His 1966 Xenia team had a 9-1-1 record.

Harbaugh earned two letters each in football and baseball with the Falcons. He was a member of the 1959 national small college championship team at Bowling Green. He made three pass interceptions in a game against Delaware University. After graduation with a B.S. in physical education he played briefly with the Buffalo Bills of the American Football League before joining the coaching ranks in 1961.

He is married to the former Jackie Cipiti of Cleveland, Ohio, and they have two sons, John (4) and Jim (3).

Ron Durby

Offensive Line Coach

This will be Durby's second season as offensive line coach.

Before coming to Morehead he coached at Walker County High School, Jasper, Alabama, which had a 7-2-1 record in his final year.

Durby is a 1964 graduate of the University of Alabama, where he was a member of the All-Southeastern Conference academic team, and a third team selection at tackle. He was also the recipient of the Jimmy Moore academic award presented to the athlete with the highest academic achievement. He was a standout at Treadwell High School in Memphis, Tenn.

Durby is married and has one son.

Mike Brown

Offensive Backfield Coach

Beginning his second year on the Eagle coaching staff is Mike Brown, a 1963 Morehead graduate, who will take charge of the offensive backfield.

Brown was captain of the 1962 Morehead team which tied for the Ohio Valley Conference championship. He was the OVC defensive back of the year, and All-OVC selection and was awarded three letters. He received the Sigma Delta award as the outstanding physical education student of his senior year. He starred in high school at Logan, Ohio.

On graduation, Brown served as a graduate assistant at the University of Tennessee before accepting an assistant coaching job at Orrville, Ohio.

Tom Kingery

Asst. Line & Fr. Coach

Moving up from his position last year as a graduate assistant, Kingery will become assistant line coach and freshman coach with the 1967 Eagles.

Kingery came to Morehead in 1966 after five years of high school coaching. He spent three years as football assistant and track coach at Paul Blazer High School in Ashland.

A native of Madison, W. Va., Kingery is a 1961 graduate of Marshall University. He is married to the former Ann Meadows of Huntington.

1967 Outlook

Morehead State University will field a speedy and experienced first team, but may find a lack of overall depth to be a problem, in defense of its first undisputed Ohio Valley Conference football championship.

Coach Guy Penny will have a capable veteran at every position with 20 lettermen returning from the 1966 title team.

The Eagles' speed is epitomized by halfback Tommy Gray, an All-OVC performer and the league's leading scorer last year. Probably the nation's fastest collegiate football player, Gray has been clocked at 9.3 seconds in the 100-yard dash. He was the Eagles' leading rusher with 598 yards on 92 carries, and ran 10 kickoffs back for 304 yards.

Running in the backfield with him is another sprinter, Leon Wesley, who was the team's busiest rusher last year. The speedy halfback carried 114 times and picked up 428 yards. The power is furnished by fullback Otto Gsell (4.8 yards on 50 carries) and quarterback Tommy Eads is rated by Coach Penny as a good field general. The only other experienced backs are Mike Mincey and Bill Marston.

Morehead will have a strong line with seasoned veterans at all positions. Several will be called on to play both offense and defense. Heading the cast are Paul Conner, Jim Ross, Marvin Hicks, Gary McKinney, Terry Hoffman, Bill Wamsley, Dave Haverdick, Bill Baldrige, David Moore and Jim Fisher.

Conner was an OVC first team selection last year. Baldrige was named to the second team and Hicks and Wesley received honorable mention in the league.

Six members of the 1966 championship team were lost by graduation. Among them were All-OVC linebacker Gary Virden, quarterback Larry Chinn, halfback Scotty Reddick, end George Adams, center Lloyd Cummings, guard Fred Conroy and tackle Cole Proctor. Chinn and Reddick were selected on the OVC second team, and Adams and Conroy were given honorable mention ratings.
